

Trip to Paris, France

Kate Huisenga & Lanie Shettlesworth

June 2024

Introduction

We chose to go to Paris, France because of all the things to do and the different foods.

- ▶ Math Equation
 - ▶ Fermat's Theorem - French mathematician
 - ▶ There aren't any whole number solutions to the equation $x^n + y^n = z^n$ when $n > 2$.

Our Plan

- ▶ Day 1
 - ▶ After getting to the hotel, we will go to the Luxembourg Gardens
- ▶ Day 2
 - ▶ Get breakfast at bakery A. Lacroix Patissier, then go to the Louvre Museum
- ▶ Day 3
 - ▶ Go on a 1-hour river seine cruise with audio commentary and visit the Eiffel Tower

Our Plan (part 2)

- ▶ Day 4
 - ▶ get breakfast at a café and go to Arc de Triomphe in the morning, then go to the Musée d'Orsay
- ▶ Day 5
 - ▶ Go to La Ferme Saint-Aubin; a cheese shop and visit Cathédrale Notre-Dame de Paris

Our Last Day(s)

- ▶ Day 6
 - ▶ Go to the Big Wheel on Place de la Concorde, then to the Palace of Versailles
- ▶ Day 7
 - ▶ Get breakfast at the hotel and go to the airport
